The child's body was found along Industrial Drive near Mebane, NC on September 25, 1998. The boy was estimated to be between 10 and 11 years of age. He was wearing "Fox Polo Club" brand khaki shorts, size 3 "2XS Sports" brand black and white athletic shoes, and white tube socks. He had sealant on the surfaces of some of his teeth. The above image is a computer-assisted facial reconstruction done by a forensic artist at the National Center for Missing & Exploited Children. Items such as eye color and hair style are the artist's estimations to complete the image, and should not be considered as significant markers for identification.
